## December events roundup

<p>December has been a full and fun-packed month which started off with visits to school from <b>the Laing Art Gallery</b> and followed by the <b>Hazelsong group</b> from The Queen's Hall. This was the follow on from the Laing Gallery trip to see the Lindisfarne Gospels, as well as the visit from our sheep. The children learnt about the way that the Lindisfarne Monks would have made the Gospels from how they made ink to forming the letters. They even made leather bracelets. We will continue this work throughout the year with the children creating their own version; the Whitley Chapel Gospels. More will follow.</p>	
	<p>Our <b>Christmas Fayre</b>, which seems so long ago now, started our festive period. Thank you all for coming, the hall was very busy throughout. We raised £267.25.</p>
<p>Every other Tuesday our <b>Collective worship</b> is held at St Helen's. The most recent visit saw 5 children being able to ring the bell to signal to all that we were ready to start.</p>	
	<p><b>EYFS Queen's Hall trip</b> Early Years thoroughly enjoyed their trip to the Queen's Hall to see 'The Three Bears at Christmas'! We enjoyed lots of giggles, dancing and sweets! We could certainly teach Goldilocks a thing or two in terms of behaviour! Well done everyone! Miss Tweddell</p>
<p><b>School Nativity – Stable Manners success!!</b> The children have been practising for weeks; learning lines, dance moves, song words, actions. There was a great turn out on Tuesday evening for a wonderful performance. Many of the children (and staff) still have the song words running through their heads!! Thank you for joining us. Huge well done to the children, and to the staff who worked tirelessly to ensure the entertainment was well rehearsed.</p> <p>The Building Trust Fund Raffle was a great success and lots of you walked out of the Hall with a prize or two tucked under your arm. Once again, thank you for your support with this.</p> <p>...also you may have noticed that our sheep, Star, returned for the performance, and brought a friend! The organisers of the sheep trail returned them to us as they knew that we had sheep as characters in our</p>	

Nativity. They will be with us until the first week in the New Year.

**Christingle service.** The children took part in a special service on Tuesday morning having made and learnt about the Christingles in RE the day before.

**Carol service.** Thank you to those who were able to join us on Thursday afternoon. We had a number of children presenting readings, with some others accompanying hymns with their musical talents (Rebecca on Keyboard, Claudia on Violin, Nate with the Xylophone). It is a real talent not only to be able to play in front of a crowd but also to keep in time with the singers and they did exceptionally well. All of the children in school sang beautifully a range of carols and songs (two from the Nativity) as well as remembering their British Sign Language for two of them.

### Winter poems

The difference in winter by Olympia	Winter by Rebecca
In the winter it starts to snow, And in the streets the lights do glow, You have to wrap up very warm, And sometimes there can be a storm, And very near to Christmas eve, We do put up our Christmas tree.	Making wreaths, Having fun, Playing in the snow, Laughing when I'm in the sleigh, Making toys all the way.

ROCKSTEADYMUSICSCHOOL.COM

You may have heard of Rocksteady in-school band lessons. The idea is that a group of children form a band, with one playing the electric guitar, one on the drums and another on the keyboard. There is also a lead singer. Children learn how to play the instruments as a group, and every half term can change instrument so they get 'a go' at trying each one to see which they like best.

- Lessons are held during the school day.
- There's no experience necessary and all instruments are provided, so it's totally inclusive and accessible for all.
- They'll join their "bandmates" for a weekly 30-minute session, where together they'll learn some of their favourite songs, developing up to 300 musical skills along the way.
- Sessions cost £31 per half term
- There will be a Rocksteady concert at the end of each term for you to see how your child's band is progressing.

Rocksteady is the largest provider of rock and pop band lessons, working with thousands of UK primary schools every year. Experienced band leaders will guide and inspire your child to progress their musical skills at your child's own pace, ensuring they enjoy the journey.

**Rock Steady will come into school next term to do an assembly if there is sufficient interest initially. Please return the slip on the last page if you would be interested in us pursuing this opportunity.**
