Zones of Regulation

The 15th February session

It was lovely to have parents join the training session alongside staff. There will be a further session next term for those who could not make this one starting at 6pm on either the Tuesday or Wednesday of the third week back (13th March). A date will be confirmed asap.

Spring 1 Awards

Proud Pegs

The number of these being awarded has doubled since last half term, and a lot of them are coming from the children themselves being proud of something they have done both in or outside of school.

It is such a privilege every Wednesday morning to hear from the children what they have been up to, or might have set themselves as a challenge week on week.

Those that have received Proud Peg certificates also get their name on a starred peg and displayed in the Hall. On the right are our Spring 1 Proud Pegs.

During this week's awards we opened with the School Council receiving their badges which they are wearing with pride. They are a dynamic group with lots of ideas for school improvement, and we'll have an update for you in the next edition.

Alongside our Proud Pegs we have also had a number of children in **Class 2** receiving their 100 Reads vouchers – very well done to all of those!!! It is a great achievement but also shows how much they read because they enjoy it as some of those awarded were receiving a second or third voucher!!!

Class 1 have been enjoying getting stickers for every 5 Reads recorded in their Reading Records, with the aim of getting 5 stickers within a half term and receiving a Lucky Dip voucher.

We have just purchased some new books called **Rhino Readers** which dovetail with our Phonics programme meaning that we can more closely match specific books to the phonics being taught week on week.

Keeping on the Reading theme – we have **World Book Day 2nd March** which kick starts our week of Literacy themes activities. More details will follow in the first week but there is a request for some reading volunteers on the back page.

Rock Steady Session

The wonderful Will came into school last Thursday to entertain the children and staff and enthral them about musical tuition. The children were thrilled to see staff members taking on band roles and playing a tune for them at the end.

This introductory session has certainly captured the children's imaginations and they have been asking about when lessons might start. At the moment we are being guided by Rock Steady as they are trying to secure another school in the area so that they can plan staffing accordingly.

School meals – Spring 2

We will publish the updated menus within the first week back.

Sponsored Dance-a-thon

Thank you to everyone who was able to support this event. All had good fun. If your child wasn't able to attend they can perhaps have their own Dance-a-thon at home and still be sponsored.

Please send all sponsor money in by the end of the first week back. Thank you
