

Friday 13th June 2025

Dear Parents,

These Fridays are coming around superfast! Thank you so much to all of the parents who were able to join us at Praise Assembly this week; there were some wonderful things to celebrate! I do know that it is not possible for everyone to join us though, so please don't worry if you are unable to make it. On Tuesday I will be accompanying our Year 4 children and Rev Andrew to the Year 4 Leavers' Service in Newcastle Cathedral. I am really looking forward to being involved in this this year.

Year 3 Taster Morning – HMS

Our Year 3 children visited HMS this week for a 'Taster Morning.' They had a wonderful day and today I have received an email from the Headteacher Mr Watters to say how delightful the children were. We are so proud of them!

Outdoor Learning News

Our Forest school sessions have always been part of our curriculum, offering students hands-on experiences in nature.

We are thrilled to expand this by adding weekly outdoor learning sessions into our curriculum. This approach will not only enhance environmental awareness but will also foster resilience, creativity, and teamwork amongst the children.

From September, in addition to Mr Short's Forest School sessions, all pupils will be involved in an outdoor learning session every week!

Under 3's Forest School Stay and Play will also be starting in September 2025. Watch this space!

I hope you all have a lovely weekend
Mrs Hayward 😊
