Friday 10th January 2025

Dear Parents,

Happy New Year! I hope you all had a wonderful Christmas and enjoyed lots of lovely family time together. We have started 2025 with a bit of a bump weatherwise but we haven't let this get in our way! ...

The children thoroughly enjoyed sledding yesterday ... and so did the teachers!

Our OFSTED report is due imminently, we will hopefully be able to share it with you all very soon!

School Council

Next week I will be meeting with the School Council. I am looking forward to begin discussing some new ideas for the school ... watch this space!
